# MINI PIRATE SLIDE

Lykia World, Antalya - Turkey

Crystal Water World, Antalya - Turkey

Aqua Palota, Gyula - Hungary

Chimelong Waterpark, Guangzhou - China

Aquasplash Marineland - France

Some time ago, TNTY had introduced an interactive play center with a pirate theme, decorative animation articles, and numerous waterslides of different colors and types. This structure has recently become one of our most popular products. Due to space constraints, many clients demanded a more compact Pirate Ship that can fit into any pool, whether residential, municipal, etc. TNTY listened and worked on an alternative. We came up with a creative new design that meets exactly what our clients needed and requested. The Mini Pirate Slide: mini kids slide with a pirate theme that delivers fun, safety, function, comfort, innovation, capacity, entertainment, and easy operation and maintenance. It is very easy to ship and install, and even more importantly, it can fit into pools with space constraints.

**Size** 2,2x3,4x4,7 m **Weight** 265 kg **Age** >3/<10 **Pool depth** 0.4 m
